JT Flexi Cover

Drawing upon their extensive experience and knowledge, professionals at Jelgava Printing House have created an exclusive type of book cover **JT Flexi Cover** that combines the best properties of hard and integral (flexible) covers.

JT Flexi Cover qualities are:

- extraordinary light
- markedly thin, yet durable
- keeps open book perfectly flat

Casing-in with this type of book cover is particularly suitable for textbooks, cookbooks, travel guides, hand books, and all other types of books that require above mentioned properties.
